

Introducing our Workshop/Juror for 2019
A signature artist in NWS, TWSA, OPS, SWS,
SWA, and MWS

Michael Holter

Texas artist, Michael Holter, works in both watercolor and oil. Michael's work has received numerous awards. His work can be found in private and corporate collections across the US and in several foreign countries. He paints both *Plein air* and studio. Although Michael has been painting most of his life, his work experience spans a wide range of creative endeavors; from art teacher, to creative director, to businessman in fine art and commercial art. Michael has owned and operated two galleries. He holds a Bachelor's Degree in Art Education and an MA in Visual Communication.

Michael is a signature member of: The National Watercolor Society, The Transparent Watercolor Society of America, The Outdoor Painter Society, the Southwestern Watercolor Society and The Society of Watercolor Artists. He is also a member of the American Watercolor Society, the Portrait Society of America and the American Impressionist Society.

Michael says, "I think of my work as impressionistic. I like to represent people or places and allow the painting to evolve from the structure of what is recognizable. The challenge is to balance the care needed to make the representation interesting? and perhaps believable, with the freedom, looseness and painterly quality that makes painting with watercolor so unique and expressive."
